

HP TouchSmart IQ535uk Desktop PC

HP recommends Windows Vista® Home Premium.

- **"Touch" makes it fun**

With just one touch you can flip through your music collection, go to your favorite social networking site or check your email. Enjoy a fun, visually engaging and intuitive gaming experience using touch

- **Stylish and slim next generation "all-in-one" PC**

Featuring an elegant design, a piano black finish, and a 22-inch high definition touch screen, this PC will turn heads. Sleek and slim in a single, integrated form factor, it fits in any room of the house and with just one cable you are ready to go

- **Impressive performance**

Not only does the HP TouchSmart PC look good, but with the latest Intel processor and NVIDIA graphics, it delivers uncompromised performance. A wireless keyboard and mouse, built-in wireless LAN and Bluetooth™ complete the product offering

- **Multimedia at your fingertips**

Accessing photos, videos and music has never been easier or more fun. With HP's TouchSmart software suite you can manage all your digital data with the brush of a finger. Enjoy a unique way to interact and share your multimedia content

Featuring Microsoft Windows Vista® Home Premium or Microsoft Windows Vista® Home Basic, the stylish all-in-one HP TouchSmart PC is an entertaining and engaging touch-enabled PC with a 22-inch display
